Tes' Talk

Thank you to everyone who was able to come to the April meeting. Quilt Pictionary was a lot of fun! How are the twisted mystery projects coming along? This month will be the last clue for the Mystery quilt. I love the color combinations I'm seeing on Facebook. I'm excited to see everyone's finished quilt! The program this month will be a zoom meeting with Stephanie Hackney from Hobbs bonded fibers. If you are unable to attend the meeting in person, I can email you the zoom meeting information so you can join us from home. We have a lot of nice things for our auction in October. You still have time to bring donations for the auction. They don't have to be quilt related. Tip: bring address labels so you won't have to write your name on every ticket. There will be sign up sheets for the barn quilt class July 30th. The cost is \$45. We have funds available for anyone that would like to take the class but isn't able to financially. You can fill out an envelope or speak with Debbie Thompson.

Tes' tip of the month: a finished quilt is better than a perfect quilt (Hint: there are no perfect quilts).

This Month's Meeting

Batting: What's Inside Matters

Presented by Stephanie Hackney

Director of Sales & Marketing, Craft & Retail

Hobbs Bonded Fibers

This lecture offers quilters and other creatives a chance to learn all about fibers and batting.

This lecture covers:

- the questions we ask quilters to assist them in narrowing down the many batting choices to what's 'best' for achieving the results they desire;
- the various fiber types, and pros and (potential) cons of each type;
- what we recommend for specific use cases (modern quilts, charity quilts, art quilts, wall hangings, runners, throws, etc.);
- proper use and care of battings and quilts;
- tips and tricks for best results
- bearding: how to prevent it, and how to fix it if it happens
- and, a bit of fun!

The lecture is 1.5 hours in length, depending on if questions are asked during the lecture or we hold all questions until the end, in which case I'm happy to offer time afterwards for a Q&A session.

She's responsible for sales of Hobbs' craft & retail products, and for all marketing activities centered around the Hobbs Batting brand, including educating quilters and other creatives on the products Hobbs manufactures.

Fat Quarter Drawing

We will not be doing Fat Quarter drawings this year.

Stay tuned for an exciting new program.

Mystery Word

Look in each month's newsletter for a quilt-related word or phrase. Email or text the answer to Linda Shafer, shafetr31959@yahoo.com or 918-693-5700 to be entered into a drawing for a prize.

Reminder

There will be a Barn Quilt Painting Party on July 30. The cost is \$45 and all supplies will be provided. We need to know ASAP the number who will be attending so the presenter can buy Attic Windows the wood.

Stephanie has shared her batting expertise through in-person lectures at most major quilt industry events, including Quilt Market, AQS Paducah and QuiltCon, and she continues to share this knowledge virtually.

Ms. Hackney has extensive experience in brand management, sales, marketing strategy and execution, and event production across a variety of industries; has served in numerous retail sales and management roles; and, enjoys giving back through non-profit fundraising.

This will be a Zoom meeting. Tes can email the Zoom information so you can view from home.

Quilt Camp

Quilt Camp will be held next month, June 22-24. Sign up sheets will be available at the May Meeting.

Quilts of Valor

www.qovf.com

The contact person for the Northeast Oklahoma Quilts of Valor chapter is **Norlene Grigsby, 918-455-7307, nwgrigsby@yahoo.com.**

They hold a work session on the 2nd Saturday of each month at the Broken Arrow Library, 300 West Broadway, from 10:00 a.m. to 4:00 p.m. with a lunch break around 12:30.

There are many ways to help such as making a quilt top or individual QOV quilt blocks. Attend meetings to iron, cut fabric or help sandwich quilts, volunteer to bind, make labels or presentation bags (pillow cases), or become a longarm quilter.

The QOV organization also needs monetary donations to help with shipping expenses and for the purchase of fabric and batting to complete the projects.
